### ...■ By train

Our office is located just 5 minutes walking distance from the ICE-railway station called "München-Pasing". Nearly all long distance trains are stopping in "München-Pasing". In case your train is not stopping there you will arrive Munich mainstation ("München Hauptbahnhof"). From there please take one of the following "S-Bahn" trains (please follow the big green "S"-signs) to "München-Pasing" (round about 10 minutes from main station):

- S 3 (heading to Maisach)
- S-5 (heading to Herrsching)
- S-6 (heading to Tutzing)
- S-8 (heading to Geltendorf/Pasing)

On arriving at station "München-Pasing" visitors should leave by the main exit. Walk down the street called "Gleichmannstrasse" which starts right in front of the station. Follow it until the next junction. At the first junction turn left onto the street called "Landsberger Strasse". The office is located at no. 527, the first house on the right on the second floor.

### ...■ From the airport

Take the local train "S-Bahn" (look for the white S in the green cycle). Two lines, the S 1 (light blue) and the S 8 (yellow and black striped) are connected to the airport, both lead to the city centre. The trip takes about 50 minutes.

- If you take S 8 (heading to Geltendorf/Pasing) you get off at the station called "München-Pasing".
- If you take S 1, you have to get off at the station called "Laim", walk through the undercrossing onto the other platform. From there you can take S 3, S 5, S 6 or S 8 and get off at the next station which is "München – Pasing"

Organic Services is located 5 minutes walk from the station. Follow the instructions given above.

### ...■ By car

It is not recommended to visit us by car because parking space is very limited, we advice you to rather use public transport. Though there is the possibility to use the parking garage of Hotel Gasthof Post, which is opposite the road (see "P" on the map), which costs 3 € for the first hour and 1.6 € each hour more.
