\*\*\*\*\*

Friday 17.02.: 11.00-15.00; Room Seoul (with registration only), in German  
**Traceability and security/proof of origin as strategy for companies in the meat sector**

Exemplary meat traders and processors are proofing daily, how to produce highest quality and at the same time to provide reliable proof of origin throughout the food chain. We want to discuss the challenges and chances of the meat sector in regard to risk minimizing and turnover growth by implementing a consequent and consistent quality assurance system.

- **Franz Rauch**, Intact Consult Lebensmittelsicherheit GmbH
- **Karl Schirnhofner**, Schirnhofner Gesellschaft m.b.H.
